### WHY SUPPORT CHILD ADVOCATES?

We realize how many incredible organizations and noble causes there are. And we realize that you have a choice when it comes to which ones you support. We hope you'll consider Child Advocates—and we can give you a few reasons to do just that.

- \* Our children. Children of all ages, races and backgrounds. Children with irresistible grins, vivid imaginations and incredible potential. All of them sharing one unfortunate trait—each one has been a victim of lifethreatening abuse or neglect.
- \* Our volunteers. Busy would be an understatement. They make dinner, entertain clients, drive carpool, walk the dog, hit the gym, coach soccer, manage employees, take vacations and watch reality television. Just like everybody else. What sets them apart is that, despite their busy lives, they still make time to volunteer as court appointed advocates.
- \* Our reputation. Child Advocates has emerged as a leader in the fight against child abuse. We have built a solid reputation as a diligent steward of your funds. Our cost-effective volunteer advocacy model allows us to provide necessary services to children in custody with minimal expenses.
- \* Our need. Child Advocates is a private non-profit organization—your sponsorship is critical to the existence of our program. We could not do this work without community support.
