YOUNG PROFESSIONALS *for* CHILDREN

No matter your age or stage in life, you can play an important role in helping abused children.

Young Professionals for Children bring hope and happiness to thousands of abused children in the Houston area every year.

## What is Young Professionals for Children?

Young Professionals for Children (YPC) has been a critical support arm of Child Advocates for over 20 years. Our members actively participate in children's events, fundraising opportunities and social events.

YPC not only serves as a great way to give back to the Houston community but it is also an excellent way to network with other young professionals.

## How do our YPC members help abused children?

YPC offers several opportunities to volunteer that vary in involvement but still provide an excellent way to make an impact. Members can participate in fun activities for the children of Child Advocates and provide a base of volunteers for the many special events Child Advocates has every year.

## Are you a good fit for YPC?

Our members are generally in their 20's and 30's—**anyone is welcome!** One thing each member has in common is a passion for helping children. Although members are involved in every area of YPC, they are encouraged to join a committee specific to their interests.

**Our members can give children hope by showing them a world full of opportunities outside of their everyday life.**

YPC volunteer opportunities and fundraising events might include...

- Houston Children's Festival
- Easter Egg Hunt
- Pull For Kids Classic
- Childspree
- Superhero Run
- Holiday Party
- Santa's Wish List
- and more!
